

Thumper

Thumper was chained part of the day and kept in a shed by himself other times when he was only 12 weeks old. A very nice lady watched over him and saved his life. Thumper is 8 months old now. "Just because I'm black and I'm mostly Pit Bull shouldn't mean no one will want me?" He doesn't understand why he doesn't have his very own home yet. "I am a puppy. Everyone loves puppies." I told him to be patient. Sometimes the very best things take a very long time to come.

Whatever affects one directly, affects all indirectly. I can never be what I ought to be until you are what you ought to be. This is the interrelated structure of reality.
